Summer School 2019

Monday 10 June – Friday 14 June 2019

The Leeson Park School of Music Colourstrings Music Kindergarten Summer School will give your child a gentle introduction to the fascinating world of music making. Through songs, rhymes, movement, games and simple work with percussion instruments, this short summer course will provide a taster of the Colourstrings Music Kindergarten programme. The emphasis throughout lies on helping the young child develop an appreciation and love of music, while at the same time developing his or her musical skills. In addition to the musical benefits to be derived from participating in these classes, children benefit in many other ways such as increased concentration, enlarged vocabulary, development of confidence and emotional well being.

The programme is complete in itself, but is also beneficial for children who will be attending in September 2019 as it gives them the opportunity over the five days to settle into the structure of the class and the school environment. Classes take place daily from Monday 10 June through to Friday 14 June 2019.
